

STANTON VILLAGE HALL

Update on Trustee Appointments

and Appointments to consider for AGM 2020

- The notice of AGM was placed on the Village Hall noticeboard 21 days before the AGM date.
- A notice of AGM was shared online several times including in local residents groups on social media.
- A total of three applications were received.
- They invited nominations including a short bio.
- They offered contact details for those requesting information who did not have internet access.
- Nominations have been assessed against the Charity Commission's Trustee Eligibility criteria.

Oliver Fordham CEng MSc MEng MIMechE

I am a Chartered engineer in charge of a group Consultants. I oversee a range of work for numerous clients and manage commercial frameworks, contracts and negotiations. I plan projects including costs, resourcing and timescales. I hold commercial sign offs within my company, approving spend, invoicing and the release of proposals. I also personally manage projects ranging from a few thousands of pounds to hundreds of thousands of pounds.

I also act as a Parent Governor for Stanton Primary School – allowing a good relationship and sharing of knowledge with a key cross section of the local community.

I have also acted as Treasurer for Stanton Village Hall for the past year and been through the learning curve of all of the various requirements of the role. I am happy to continue in this role if supported by the committee and keen to remain on the committee to continue to improve the Hall for the community.

Tracey Wond PhD CMI CIPD

I'm a Stanton resident and have supported Stanton Village Hall since summer 2019 when I took the roles of Bookings Secretary and, later, Secretary to the committee. Over this time, I have volunteered many hours each week to run the hall on a day-to-day basis, clean, deal with bookings and contractors, apply for funding and undertake general maintenance. I also run the social media and website for the Hall. Successes over this time include applying for and securing National Lottery Community Funding (that afforded Stanton Village Hall new heating and doors), increasing hire income, and negotiating significant insurance discounts for the Hall.

I have spent much of my career as a Senior Lecturer/Head of Research teaching business and management and applying for various funding. I've specialised in good governance and written books and papers in this area. I now run my own business consultancy and marketing businesses as well as overseeing a successful business that I began with my

partner in 2013. I've held charity trusteeships and non-profit board positions with other organisations, including South Derbyshire CVS (a local community development organisation). I've previously developed other communities where I've lived and have won an award for this work. I believe this knowledge and experience is valuable to the ongoing management of Stanton Village Hall.

I'd like to continue as a Trustee for Stanton Village Hall to ensure the Hall remains relevant to our community and builds upon the successes of the past year.

Anne Thompson

I have sat on the management committee of Stanton Village Hall for the past few years, most recently as Chair (2019-2020), and would like to stand again so that we can continue to offer the hall as a place that supports the community to engage with activities such as karate and fitness classes. I care about supporting local opportunities and also help to run a local girl guiding group.
